In this our 25th year of Full Moon we are very excited to be forging a new relationship and wholesaling ONYA – a unique new range of products from Western Australia. Their motto is “Think Reusable”. These are high quality, useful, reusable products for everyday life that can easily be carried “on you”. The range includes shopping bags (2 sizes), produce bags, backpacks, coffee cups and one of the highest quality stainless steel drink bottles on the Australian market. Wherever possible they are not only recyclable but also made from recycled PET plastic bottles. There are lots of eye-catching designs to choose from. You’ll find the ONYA listings and images on pages 54-56 of the catalogue we recently sent to you.

**NEW from Kintra**

This **MATCHA 100% Japanese Green Tea powder** in a handy 110g size is an antioxidant

powerhouse and calorie burner. You’ll see from the big green ad on page 4 of the catalogue that the ORAC of this product is off the scale, even compared to goji berry and blueberry. MATCHA is “this year’s big thing” in the Health Food trade. It also comes in tea bags in two new blends with **Green tea** and **Chai**. **KINTRA FOODS** have also relaunched the much missed **FORMOSAN TEA** brand. Remember the 250g “bricks” of

Green and Black Formosan Teas that used to fly off the shelves quicker than you could buy them? They are now available again both at \$5.27 wholesale. Also available are the 32 teabags in Green and Black tea and Formosan Chai Blend. **ORGANIC ROOIBOS TEA** is now available in a 10kg bulk size at \$182.25 w/s - let us know if you would like us to order it in for you?

**AUSTRALIAN BIOLOGIKA** have added to their range of beautiful, popular soaps. The new lines are a Fragrance Free Soap 100g and Lemon Scented Tea Tree Soap 100g at \$1.95 w/s price plus GST. Don’t forget to check out their **Baby Organics** range which is also available on page 6 of the new catalogue.

Yet another range from the same high quality organic stabler is **ORGANIC SELECTIONS**. Due to popular demand, we have been carrying the bulk 15L Shampoo and Conditioners for some time now and have taken the plunge with the whole range of shelf lines. We can now supply their luxuriant Certified Organic Body Washes & Lotions, Body Butters, Natural Shampoos and Conditioners and Bath Salts. The four signature fragrances of each of these products are Lavender & Ylang Ylang, Rosewood & Almond, Lemon Myrtle & Avocado and Rosemary & Kakadu Plum and can be found on pages 56 & 57.

**EZE PATCHES** and **ECO SLIM WEIGHT LOSS PATCHES**.

The range of fine Japanese foods keep on coming from our friends Kiyo and Yuya at CARWARI. First up:

two fabulous new **ORGANIC MISOS** in **RED** and **WHITE** 500g tubs \$10.00

w/s each. Next up is the new **JAPANESE DIPPING SAUCE DUO** comprising of 65g Flakes and 100ml

Toasted Sesame Oil at \$7.24 wholesale. Finally a **JAPANESE SPICY SEASONING** available in a 100g jar containing organic Onion, Garlic, Chilli, Black Sesame & Murray River Pink Salt. YUM!

NEW eyecatching packaging from **PLANET ORGANIC**. As new product comes through, they will be in these ever more colourful and attractive packs. Check out the ad on page 63 to see why we are so excited.

There are also new pack designs on all of the **Celestial Seasonings** range as they come through from the USA.

**NEW from ECOTANKA**

A **new improved sports lid** and a new **bamboo/stainless steel lid** that is very stylish. The **THERMO TANKA** is another brand new addition to this range - it's a thermos-style container great for winter or summer. You may be surprised to know that the chunky **2L MEGA TANKA** is by far and away the best seller in the Ecotanka range.

The sustainable fisheries angle (#1 in Greenpeace listings!) of the **FISH4EVER** range continues to make it a much-loved repeat seller for those who stock it.

NEW from Fish4Ever: **Anchovies** in Organic Oil in a 48g tin; and introducing **Mackerel Fillets** in 3 new flavoured sauces. **Spiced**

**Tomato Sauce, Garlic Thyme Sauce** and **Mustard Sauce**.

One of the stand out new ranges in last year's June catalogue was the **IF YOU CARE** range of alternative, ecofriendly household goods. Each product in this range has it's own sustainability story. If you haven't tried them yet, have a look at the **Baking Cups** and **Baking Sheets, Aluminium Foil, Sandwich Bags, Household Gloves** and **Sponges** on page 36 of the this new catalogue.

**MELROSE HEALTH** have been busy creating clever new products as always. This time it is a new unpasteurised **KIWI VINEGAR** containing the mother. These products are highly nutritious and are a natural digestive with 5% acidity. Two varieties are available. **Kiwi Vinegar with Cinnamon** and **Kiwi Vinegar with Ginger**, both in 500ml size, w/s price \$5.72 each. Also new to Melrose is 500g **Organic Rice Syrup** and 500ml **Liquid Chlorophyll**. See these new lines on page 40 of the catalogue. You'll notice new lines coming soon include Organic Flax + Essential Greens, Organic Flax + Essential Reds, Flax with Ancient Grains, Teff Grain and Organic Chia Seeds. If you missed the new Therapeutic Goods from Melrose last year you should have a look at Astaxanthin, Advanced Magnesium Complex, Vitamin K1 & K2 and Vitamin K2 & D3.

**RIDDELLS CREEK** is one of those ranges that keeps on growing for us. They are now offering 3 new flavours of **Organic Children's Toothpaste**, in **Orange, Strawberry** and **Banana** flavours at \$3.40 wholesale + GST each.

In a similar vein, another new line of late is the Kids **Kingfisher Toothpaste, Strawberry flavour** - Fluoride Free, no artificial sweeteners, flavourings, colourings or preservatives. Vegan friendly and never animal tested.

**SACRED GROUNDS** Coffees have (thankfully) replaced the now defunct top selling Bercat Coffees for us with their beaut **East Timor Organic & FairTrade Coffees** in 250g and 1Kg sizes. We will also soon be stocking their delicious, to-die-for **Organic, Fairtrade, Sustainable Drinking Chocolate** 200g for \$6.45 wholesale.

**NEW from SPIRAL FOODS**

**Bonsoy Tofu, Bonsoy Keep Cup, Organic Gluten Free Soy Sauce** and **Organic Grade A Matcha** 1Kg for \$172.80 and **Organic Grade B Matcha** 1Kg for \$89.10. You can find details

about these new products in the ad on page 78 of the catalogue.

Last but definitely not least - We **LOVE** working with **local makers** in Northern NSW to get their wares out to a wider customer base. These next two brands deserve to take off, we use them both ourselves and love them.

**TOOTH TONIC** Tooth Tonic contains an amazing blend of essential oils to help keep your gums and teeth healthy. There is Mint flavour and Fennel flavour (which is usable with homeopathics). The Black Whitener is a little pot

of coconut charcoal and minerals which helps to whiten teeth naturally.

**TAMANU OIL** This wild-harvested Tamanu Oil from Vanuatu has been used traditionally to heal and improve skin conditions and as a hair regenerator. It is 100% pure, unrefined and cold-pressed. The 15ml Roll on is easy to apply and is refillable using the larger 50ml and 100ml sizes. Also available in 30ml dropper. The Beautiful Tamanu Skin Balm is 100g and wholesales for \$15.50 + GST.
