As we prepare for the run up to Xmas 2016 and launch into our 25th year of trading as Full Moon we have lots of exciting things to tell you about.

NEW LINES FROM OUR JUNE CATALOGUE

The **ONYA** range has hit the ground running. If you haven't tried them yet you should definitely give them a go. Using recycled plastic bottles, they have created an attractive range of backpacks, shopping bags, lunch wraps and produce bags. They are light weight and scrunch up small so you can always have them 'onya'. They also make re-usable coffee cups that are available in a range of colours. Onya's beautifully coloured stainless steel drink bottles come in 500ml, 750ml and 1L sizes. These are well made and well priced.

Our friends at **CARWARI** have introduced several fantastic new Organic lines to their product range. Red Miso and White Miso in 500g sizes wholesale for \$10.00 each. The Japanese Special Seasoning 100g is \$5.93 w/s and the Sesame Dipping Duo consisting of 65g Flakes and 100ml Toasted Sesame Oil is \$7.24 w/s.

TOOTH TONIC has surprised us with its immediate popularity. The two Tonics in Mint and Fennel flavours are great for keeping teeth and gums fresh, clean and healthy. The big hit in their range is the Black Whitener, made from coral calcium, coconut charcoal, bentonite clay, licorice root and turmeric.

TALKING OF TURMERIC!

*We have some exciting new **TURMERIC** lines to share with you.

In addition to the organic Turmeric in 1kg from **Gourmet Organic Herbs** and **Planet Organic** we can now offer a conventional Turmeric powder (5% curcumin) at \$14.58 per kg.

• **Chai Tea's** fantastic new Organic Rainbow Turmeric Chai will sell w/s for \$11.14 for the 100g pack and \$89.98 for the bulk 1kg pack. The price is right, the taste is divine (surprisingly sweet) and the ingredients are all 100% certified organic: Turmeric, ginger, cinnamon, cardamom, nutmeg, clove, black pepper. Like all of the other lines from our favourite little solar powered Rainbow Chai factory at Bundagen, this will be very popular!

• **NEW** and also thoroughly delicious from **Kintra Foods** is a 100g Turmeric Golden Blend at \$5.27 w/s

Given the market for Turmeric products at present, we are sure all of these will sell very well.

Don't forget the other new products from Kintra Foods. Their Pure Matcha 110g is proving very popular indeed with a great price point compared to other Matcha Teas on the market. Check out their Matcha/Green and Matcha/Chai Tea Bags too.

NOW AVAILABLE: 2017 MOON DIARY

The Moon Diary is in its 24th year. This popular diary is researched & handwritten by Shekhinah Morgan and illustrated by Jude Baderle & Kellie Gough. Not just a diary but a keepsake and reference with moon phases, lunar transits, void-of-course moon times to enable accurate moon watching and menstrual calendar.

Also new from Orgran is their Premium Crispi Crumbs 300g \$3.04 w/s (NB Orgran's All Purpose Breadcrumbs are still also available)

SACRED GROUNDS East Timor Organic Coffees continue to power along. Another Fair Trade and Organic line under this great label is the delicious Drinking Chocolate 200g which is a personal favourite of mine.

IN LATE OCTOBER/EARLY NOVEMBER

FRESSKO will release their New Colour Collection. These bright Vacuum Flasks have a silver/glass inner and a stainless steel outer for brewing as you go, keeping drinks warm or cold as desired. The new colours are called Blush, Reef, Stone, Midnight and Onyx and will be up on our website soon. At \$25.99 w/s, we expect these to fly off the shelf in the run up to Xmas as the other Fressko lines did last year. Let us know in plenty of time how many you require to avoid disappointment.

Our lovely friends across the Tasman at **ECOTANKA** have also been busy developing the **THERMO TANKA** – also a vacuum, double walled flask at \$24.40 w/s and the Stainless Steel/Bamboo Lid at \$5.25 w/s. There are two great new colour Tankas now available in Bronze and Green.

Good and not-so-good news from **Dr Bronners Australia**: They have advised that due to slow sales they will no longer be importing the Bronner's Body Balms (the ones in the little tins) but they do have three intriguing new Dr Bronner's Organic Toothpastes in Cinnamon, Anise or Peppermint flavours. They are in a 140g size and w/s price is \$7.44 + GST.

Same with **Norfolk Punch** – the good news is that fresh stock of the Norfolk Punch Original is now arriving in Australia, so by the time you read this we should be fully stocked up again with Norfolk Punch products. Sadly the popular 300ml Cranberry is no longer but, closer to Xmas, we will have a 750ml Cranberry Norfolk Punch available, price TBA.
